

# BROOKWOOD FARMS

## PHASE I—V FENCE REQUIREMENTS

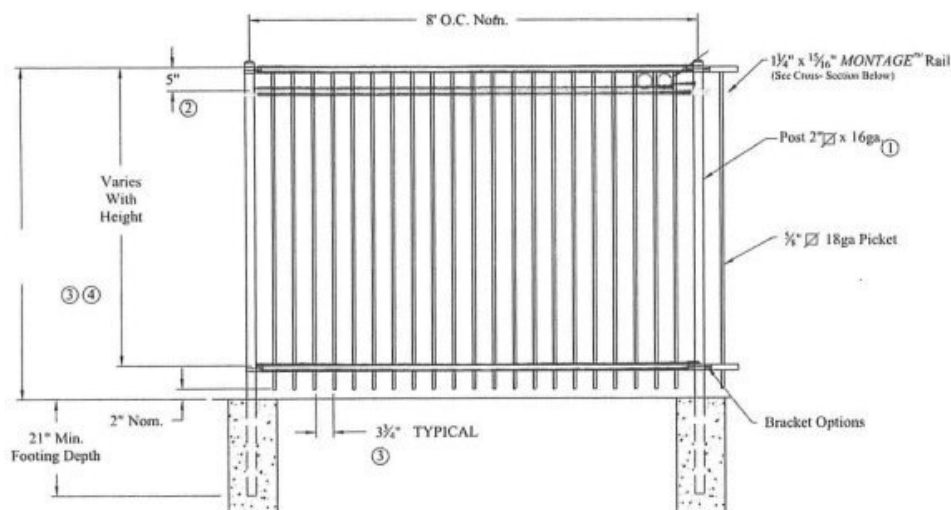

Please refer to page 8 of the Biltmore Farms (aka Brookwood Farms) Declarations of Restrictions for fence specifications and requirements. The Developer has stated a preference that there be only metal fences allowed on lots 58, 90-96, 117, and from 201st street south, except 102 & 103, and has the right to prohibit wood fences on any such lot. Wood fences should be designed according to the drawing below, and should be stained a cedar color. Metal should be according to drawing below. All fence proposals need to be submitted in writing prior to installation. The proposal should include a plot map with fence location marked appropriately.

Fencing to be as specified below.

### 5' high Solid Cedar Privacy Fence

### 4' or 5' Wrought Iron Fence
